

Things to Keep in Mind...

Mission of KIDS University:

- Provide a fun learning experience while exposing kids to the UNR campus and its resources.

Parameters/Concerns/Things to Think About

- No more than one field trip per week. A field trip constitutes admission fee and/or bus transportation. The class can walk anywhere within reason. However, due to bus constraint and transportation availability, field trips will be limited and **must** be cleared. Please contact Nyleen Adams for further information.
- **Supply budget is approximately \$200-\$250 per week per class, or figure about \$10 per camper -- which includes field trip admissions.**
- Class size will be limited to about 25 campers. The minimum registration to hold a class is 10 campers.
- Extended Studies will handle all registration, confirmations, logistics, and payment documents.
- Salary includes development and instruction per week and requires a proposal, instructor orientation/procedures meeting, instruction of the class, and a debriefing meeting.
