PARKING TICKETS
University Parking Services has been notified of the traffic and parking needs created by KIDS University. Before your child's first day of camp, be sure to print out a KIDS University parking permit to go on your dashboard. This permit allows you to park in the Continuing Education Building parking lot in the designated parking spaces. If you have the parking permit displayed in your car and receive a ticket, please bring the ticket in and give it to the counselor at the check-in desk along with your phone number and name.
